Experience

Club Manager, Student Activity Council (SAC)| VIIT **Sep 2025 – Present**

- Lead planning and execution of student activities and flagship events such as "Yuvatarang 2K26," managing sports and co-curricular events end-to-end, including scheduling, registrations, logistics, and on-ground coordination.
- Initiated and led community-focused green initiatives by guiding student project teams to nearby villages for awareness drives and sustainability projects, mobilizing students to practice social responsibility beyond campus.

AI/ML Intern | InternPro **Jul 2025 – Aug 2025**

- Developed an AI-powered interview chatbot to automate candidate screening and simulate interview interactions for improved efficiency in the evaluation process.
- Designed and implemented ML and NLP-driven interview simulation features, enabling intelligent question generation and response analysis for more effective candidate assessment.

Web Development Intern | VaultofCodes (Remote) **Jun 2025 – Jul 2025**

- Completed a one-month web development internship with a primary focus on front-end development using HTML, CSS, and JavaScript.
- Delivered 5 hands-on implementation tasks, translating design requirements into responsive and interactive user interfaces.

Machine Learning Intern | Google for Developers – EduSkills (Virtual) **Jan 2025 – Mar 2025**

- Completed a 10-week AI-ML virtual internship focused on core and applied machine learning, and explored integrating AI with full-stack development to build real-world applications.
- Collaborated closely with EduSkills mentors and VIIT faculty, developing a growth mindset toward innovation at the intersection of AI and web development to continue building impactful tech solutions.

Education

Vignan's Institute of Information Technology (VIIT),Duvvada **Sep 2023 – Present**

Bachelor of Technology in Artificial Intelligence and Data Science (Pursuing) | CGPA: 9.38/10.0

Coursework: • Data Structures and Algorithms • Operating Systems and Networks • Database Management Systems • Software Engineering • AI • Machine Learning • Data science • Computer Networks

Projects

StudyXpert (Team Project | TypeScript, Next.js, Node.js) **Source Code** — **Live Demo**

- Built StudyXpert, a full-stack learning assistant platform that helps students organize notes, track progress, and access resources from a unified dashboard.
- Implemented modular, reusable components and REST APIs to support scalable content management, improving study workflow and reducing manual organization effort for users.

BusBuddy (Team Project | Team Project | TypeScript, Web App) **Source Code**

- Created a bus-tracking and information platform to help students monitor routes, timings, and availability in real time.
- Focused on a clean front-end architecture using TypeScript and components, improving usability and reducing confusion around bus schedules.

Additional Projects **GitHub**

- Verdex Sus-Hacks - FSD 5494 - WD101 Registration Form - VoC Internship Details

Skills

Languages: Python, C, C++, Java,Java script

Web & Backend: Next.js, Node.js, Express.js, HTML5, CSS3

Clouds & Databases: SQL,DBMS, NoSQL, Supabase, Google Cloud Platform, Vercel,Netlify

Data & ML: Python ML stack, Machine Learning, Deep Learning, NLP, Data Science

Tools & DevOps: Git, GitHub, Docker, Jupyter Notebook ,Arduino, VS Code, Canva,MS Office , AI & automation tools (LangChain, n8n, AI workflows)

Foundations & Learning: Data Science, Software Engineering,
currently exploring Agentic AI and Quantum Computing

Known Languages

English, Telugu, Hindi

Interests / Hobbies

Competitive programming (LeetCode, Codechef)

Hackathons & project building,Open Source Contribution

Student leadership & event management

Movies & storytelling-driven creativity,logo making

Achievements

Achieved a peak rating of 1200 on Codechef and solved 250 problems solved and participated in 30+ contests.
Get top 3 in Quantum Valley Hackthon 2025 at Internal level, Final top 10 at Smart Innovation 2025.
Won at the internal level of the Smart India Hackathon 2024.
